Rising 5th-8th grade Camp:

Last year, we hosted the Summer Boost program for students in grades 5th-8th. This was a grant funded program that allowed us to offer a high quality summer program to students at both CNH and CNCS. We are awaiting to find out if these funds will be available to us this year. We are hopeful, and will communicate with the community as soon as we have this information. In

the meantime, if you are interested in a camp for younger students, see the information below.

Three Schools Collaborative:

Last year, we held our first three schools collaborative in which the arts departments from City Neighbors Hamilton, City Neighbors Charter, and City Neighbors High School, came together to perform “A Journey to Freedom”. This year, we are back at it, with a new production “Tuning Out and Tuning In”. On Thursday March 7th, students from all three schools will participate in this performance. Be sure to purchase tickets to this event. Proceeds will support the Arts department at each school. We hope to see you there!
