# A Note from Admin

Greetings families,

Sometimes it is easy for us to remain in our City Neighbors Hamilton bubble. But we are indeed a part of an organization with two other schools, and often lean into opportunities to collaborate with one another. Our three-schools collaborative program, happening this year on March 7th is one way we pull together our talented teachers and students. Here's another. Two high school students, Makayla Johnson and Mi'yonna Weston, take on the responsibility of coaching the grades 3-5 cheer squad (CNH Blue Heat) every Saturday. On Saturday, the team made it through their first performance! This incredibly special and meaningful partnership brings happiness and pride to us all! Special thanks to these two incredible students, and shout out to our Blue Heat squad!

Last year, we hosted the Summer Boost program for students in grades 5th-8th. This was a grant funded program that allowed us to offer a high quality summer program to students at both CNH and CNCS. We are awaiting to find out if these funds will be available to us this year. We are hopeful, and will communicate with the community as soon as we have this information. In

## Three Schools Collaborative:

Last year, we held our first three schools collaborative in which the arts departments from City Neighbors Hamilton, City Neighbors Charter, and City Neighbors High School, came together to perform “A Journey to Freedom”. This year, we are back at it, with a new production “Tuning Out and Tuning In”. On Thursday March 7th, students from all three schools will participate in this performance. Be sure to purchase tickets to this event. Proceeds will support the Arts department at each school. We hope to see you there!
