City Neighbors Parent/Guardian PBL Night: City Neighbors parents!

Join us for our City Neighbors Parent Arts Project-Based Learning Night. Come develop an understanding of a key part of our City Neighbors approach - project-based learning. Learn what it is, how it might look in your child's classroom, and help design it for yourself.

The night will be a hands-on, community-building, and interactive event, led by City Neighbors educators for parents from all three schools.

The event will take place in the City Neighbors Hamilton art room.

To join us, please RSVP here by Friday, January 19th: <https://forms.gle/9scSrhkPLiVgFja76>

If you have any questions, please contact Mike Chalupa, City Neighbors Foundation Director at mchalupa@cityneighbors.org.

Let's Advocate for Funding for Charter School Students!

For the first time ever, charter schools may have the opportunity to get funding for our facilities. Senator Cory McCray is sponsoring a charter school facilities funding bill. This could mean a huge impact for our schools - possibly up to \$2000 per student to cover the cost of our Facilities expenses!

Come to Annapolis! Join us Wednesday, January 31st, during the day, for Charter School Advocacy Day. Buses will leave City Neighbors to head to Annapolis at 8:30 and return at approximately 4 pm. Our job? To convince our representatives that it's finally time to fix this inequity. We are seeking 40 folks from our schools! Sign up here: [Charter School Advocacy Day 2024](#)
