Kindergarten Supply List, 2023-24

Hello. Incoming Kindergarten Families!

As your child's new teacher, I warmly welcome your family to our classroom community. I look forward to getting to know you and your child well, and to the joyful journey that we all will share together in the year ahead.

Thank you for making the commitment to purchase school supplies. Below is the list for the year. Please try to purchase as many of the items as you can, but please **don't stress** if there are items you can't find, or if the number of items requested doesn't fit your budget. We will make it all work!

I hope you and your child are enjoying the specialness of summer, and look forward to meeting you soon!

Help us build our classroom collection of materials!

Throughout the year, we invite families to contribute to art experiences by donating interesting materials that are no longer needed at your home or workplace but might inspire creativity in the classroom. You can drop off these materials in the kindergarten classroom at any time, starting on the first day of school. We hope you'll consider what you might have on hand at home or work to offer. A few ideas include: used but attractive papers, such as old gift wrap, colorful tissue paper, or origami paper; unused stationery and envelopes; old car maps and atlases; old flower nursery catalogs for cutting; silk or dried flowers; small items such as buttons, beads, colored metal bottle caps, nuts, and bolts in silver, brass, or copper colors, corks, pieces of cardboard (like from a cereal box, for example).
